**TATA MOTORS LIMITED, Jamshedpur Works, Jamshedpur-831004**  
(Hereinafter referred to as 'Company' or 'TML' or 'Tata Motors')

**GENERAL TERMS AND CONDITIONS FOR SALE OF SCRAP/OBSOLETE  
ITEMS BY AUCTION**

1. The general condition of the goods against all lots of the catalogue shall be treated as scrap, rejected, obsolete, and condemned unless otherwise specifically mentioned against the items or Lots. The Company shall not be liable for, or be bound in any manner for any representation or statements which are not contained in this 'General Terms and Conditions for Sale of Scrap/Obsolete Items by Auction' and / or catalogue or are contrary to or inconsistent therewith purported to be made by any officer of the Company.
2. Number, quantities or tonnage or nature of material given in the catalogue are mere approximations and the materials will be sold without any regard or consideration to these number / tonnage or nature of material and no warranty or guarantee shall be implied.
3. The intending bidders shall be allowed to inspect the goods advertised for sale prior to the Auction by arrangements through the department concerned of TATA MOTORS. Admission to Works of the Company will be by permit that will be issued on request. Name of firms and / or their representatives intending to visit the Works should be specified in application.
4. Goods will be sold on, as is where basis is. Bids will be deemed to have been made on the clear understanding that intending bidders have satisfied themselves fully with regard to the nature, condition, quantity, quality of goods upon inspection or otherwise. No error, omission or misstatement of misdescription whatsoever and howsoever made or published whether in the catalogue or otherwise and no defects or faults in the goods shall annul the sale or be the subject of any claim on the part of the buyer whether by way of compensation or otherwise howsoever nor will any such claim be entertained by the Company.
5. **The Company shall be under no obligation to put the lots singly or serially or any other manner and the Company reserves the right at its discretion to withdraw any lot at any time during the Auction without assigning any reason thereof. The company may refuse to accept any bid from any person without assigning any reason for such refusal.**
6. All lots will be sold to the highest bidder subject to the reserve price fixed by the Company. In the event of dispute between two or more bidders, the lot in question may be put again for auction at the end by the Company and an undisputed bid may be obtained for it.
7. Bidders bidding for the goods sold, shall be deemed to have taken into account and made due allowance for the cost of handling (including separating the scrap materials into convenient lots if permitted by the Company) loading or other expenses (including dismantling where permitted by the Company) for purpose of bidding for different lots of goods and their removal, and shall be entirely responsible for loading the goods by rail where so required. The Company will effect delivery of goods only at the site or at a convenient location, which will benefit at the time of sale.
8. No bid once made by the bidder can be withdrawn by him irrespective of whether the Company accepts it or not.
- a. Demand Draft / Pay Order should be physically deposited to TATA Motors Cash Office through DGM (Disposal) within the time stipulated.
- b. Payment receiving counter at TATA Motors operates from 8.30 AM to 11.30 AM and from 1.30 PM to 4.00 PM on all working days. Buyers are advised to make their payment well in advance to avoid last minute rush or refusal.
- c. Penalty imposed will be based on cost of material (excluding taxes, duties and loading charges).
- d. Entry of buyer or their representative into Scrap Yard / Works of the Company will be only for supervision of the work undertaken by their workers or the agents engaged by them and for such other purpose as may be approved by the Company. Special Gate Pass will be issued by TATA Motors as per norms.
- e. At the time of obtaining delivery of any goods, the buyer shall not be entitled to pick and choose any particular item or items from the lots sold to the buyer. The buyer will have to operate the lot from one side of the heap until the entire quantity is lifted.
- f. The Authorisation letter must be submitted by the buyer authorizing its representative/agent to take delivery. The authorization letter must be submitted along with self-attested photograph of buyer's representative/ agent. No person will be allowed to lift any material without submitting the said authorisation complete in all respect.  
Authorisation letter must be submitted before two days of physical lifting of the lot.
9. Where material is sold on arising basis, the arising are only an index for the amount of deposit which is required to be made by the buyer. But as the paramount interest of the Company is to get the area cleared of all accumulated scrap, the buyer will have to remove the entire arising even though such actual arising may go far beyond the limit of the approximation indicated.
10. During the course of inspection the Company's representative supervising the inspection will have the authority to amend quantity of any lot.
11. If any person bids at the Tender/auction on behalf of an undisclosed principal, he will immediately after the bid and at the time of payment of the security money and / or earnest money disclose the name of his principal who is the actual buyer and the receipt of the security money and / or earnest money would be issued in the name of the principal only.

12. The buyer shall not be entitled to resell any lot or part of a lot while the goods are still lying within the premises of the Company and no delivery would be effected by the Company to any person other than the buyer whose name is mentioned in the sale letter or delivery order. Change of buyer's name and address will not be allowed after finalisation of sale.
13. From the time of sale, until removal, the goods shall remain in the premises of the Company at the risk of the buyer.

14. **Subject To Approval (STA) SALE:**

Acceptance or rejection of any sale registered as Subject to Approval will be communicated within 30 days from last date of Auction. In case of rejection earnest money will be refunded by cheque only without any interest.

15. **EARNEST MONEY: Payment by buyers**

- 15.1 Earnest Money Deposit (EMD) is to be paid by RTGS & Demand Draft (DD) of Nationalised Bank or ICICI or HDFC Bank. Other bank's DD will not be accepted. Earnest Money to be deposited at the auction hall only. **(No cash deposit will be accepted).**
- 15.2 Earnest money shall be calculated on the base value only excluding taxes. Taxes as detailed in Clause 20 are payable over and above the bid value as applicable.
- 15.3 For the computation of full value of Earnest Money the ground stock or a month's arising which ever is higher will be taken into account.
- 15.4 For Firm Sale: 20 % of the bid value.
- 15.5 For STA Sale: 10% of the bid value. On confirmation of the sale the balance 10% of Earnest Money will be deposited along with 1<sup>st</sup> installment wherever applicable.
- 15.6 In the event the bidder fails to deposit the earnest money as aforesaid the lot may immediately be put up for auction/ sale again.
- 15.7 Notwithstanding anything contained in this brochure elsewhere earnest money shall be held by the Company as security deposit for the due fulfillment of the terms and conditions of sale and forfeited in the event of default.
- 15.8 The earnest money will bear no interest. Bid without adequate EMD will not be considered.

16. **SECURITY MONEY**

- 16.1 The Company may at its entire discretion at the time of Auction call for a separate security money not exceeding 20% of the price of each lot. The buyer should be prepared to deposit such amount as security money as soon as the same is called for by the Company. This amount will bear no interest. The security money will be refunded to the buyer after successful lifting of the lot.
- 16.2 This security money will be appropriated towards any financial or other loss or damage which may be suffered by the Company through acts of omission by the buyer or his agents or representatives for non-compliance of the safety rules of the Company.
- 16.3 Subject to sub Clause 16.2 and notwithstanding anything contained in this brochure elsewhere the said security money shall be held by the Company as security deposit for the due fulfillment of the terms and conditions of the sale in respect of the removal of the goods sold to the buyer from the site of the Company. In case of any default and / or failure on the part of the buyer to remove the goods sold from the Company's site within the allowed time the security money remaining in the hands of the Company either wholly or partly shall be forfeited by the Company and the Company shall not be bound to give any notice to the buyer of such forfeiture.

17 **PAYMENT TERMS:**

- 17.1 Amount, period, and Penalty: Subject to the provision of Clause 15 & 16 hereof the balance purchase money plus taxes must be deposited by the buyer with the Company as per instruction given below:

Type of Lots	Type of Sale	Payment period without penalty	Penalty period	Penalty Rate
A) Scrap & obsolete items (Up to value of Rs.10 Lakhs)	STA / Firm	Within 7 working days from the date of Sale Letter.	6 working days from last date of payment. In case of default, full money will be forfeited and the buyer will be debarred for three months from participating in this auction.	2% of the default amount for the period of first two working days, 3% of such amount for the next period of four working days.
A) Scrap and obsolete items (More than value of Rs.10 Lakhs)	STA / Firm	Within 7 working days from the date of Sale Letter for 1 <sup>st</sup> installment. Next 7 working days from the date of 1 <sup>st</sup> installment for the 2 <sup>nd</sup> installment.	6 working days from last date of payment for 1 <sup>st</sup> installment and 6 working days from last date of payment for the 2 <sup>nd</sup> installment. In case of default, full money will be forfeited and the buyer will be debarred for three months from participating in this auction.	

Note: 1st installment means 50% of the bid value and 2nd installment means balance money (50% of the Bid Value). There is no third installment. If 1st installment is paid late it does not automatically imply that 2nd installment can be paid a week after that. The Due dates of 2nd installment will be reckoned independent of the date of the payment of the 1st installment.

- 17.2 In default of such deposit within the allowed period, the contract of sale between the buyer and the Company shall ipso facto be terminated and the earnest money deposited by the buyer shall stand forfeited by the Company. The Company shall not be bound to give any notice to the buyer of the cancellation of the contract or of the forfeiture of the earnest money.

After such payment of the purchase money including all taxes and duty the buyer will be entitled to remove the goods from the site of the Company as per the schedule and delivery order given by DGM (Disposal), or his representative.

- 17.3 If the date of payment falls on any off day (holiday), the payments will be accepted on following working day.
- 17.4 Not with standing anything to the contrary contained in various clauses the Company may based on the application of the buyer annul the forfeiture and permit the buyer to pay the purchase money with such additional amount and within such period and on such terms and conditions as the Company may in its absolute discretion think fit.

GST(IGST/CGST&SGST) shall be applicable on recoveries made towards penalty for late payment or ground rent charges payable by the buyer.

## 18 LIFTING TERMS:

- 18.1 After paying the purchase money as detailed elsewhere the buyer will submit a written request to the Company for necessary entry permits for the buyer's labourers and technicians. Such request shall be in the format prescribed by the Company which is available in its Disposal Department's Office. If buyer intends to bring in any of his equipment to facilitate dismantling for removal of the goods, such equipment must be specifically mentioned in the written request. On receipt of a written request from the buyer with all necessary particulars, the Company at its discretion may permit entry of buyers, technicians, equipment etc. The buyer shall be wholly liable for and shall duly make good any damage or loss to any property of the Company caused by the buyer or any member of his staff or any agents, employees, clerk, workmen or servant. The Company shall not be held liable under any legislation relating to Factories or Employees Compensation Act or otherwise for any breach of law or injury to the buyer or any such person aforesaid, while working within Tata Motor's premises.

- 18.2 Buyers MUST have their own assessment of various aspects of lifting requirements and only after organising their capabilities on inspection of the lot participate in the bid. Company will not be responsible for their mis assessment or mistakes of the buyer. Lifting will have to be completed within the period as per stipulation given in the sale letter. The general norms used shall be as per following details. This is only to give an idea for the bidding.

a) For metal, electrical, tools and misc. scrap maximum time allowed will be:

i) Small lots i.e. up to 50 MT; within 7 working days from the last date of making payment.

ii) Big lots i.e. over 50 MT @ 8 MT (Except H/M and B/T) per day: 5 working days in a week from the last date of 1st. Installment payment. (H/M: Heavy Melting, B/T: Turning / Boring)

b) For wood max. time allowed @ 3 MT per day: 6 working days in a week from the last date of first payment.

c) For sheet metal which are light and voluminous max. time allowed @ 4 MT per day from the last day of payment.

d) For structural items maximum time allowed @ 5 MT per day per truck from the last day of payment.

e) The buyers should ensure that the lifting of the materials (Heavy Melting & Turning / Boring) for a lot should not be less than 10 mts per working day and should not be less than 80 mts per week, the definition of week being as specified above.

f) For hoop iron/Jumble rod maximum time allowed @ 2 MT per day from the last date of payment.

g) Delivery Hrs. 8.30 AM to 4 PM from Monday to Friday.

h) **No delivery on off days**

These are however, the maximum time allowed and the Company may demand that the material be lifted at a rate faster than what has been indicated above.

- 18.3 **In case lifting of Scrap Materials under any lot is below 95%, forfeiture of 40% value of balance quantity and 5% security money (wherever collected) shall take place.**

**For above 95% lifting, no forfeiture shall take place.**

[Illustration

For a 10 MT Lot per MT value is Rs.10,000. If a buyer lifts only 3 MT Material (Less than 95% of Lot quantity), then left Out Quantity is 7 MT.

Value of Left out material is  $7 \times 10000 = 70,000$ .

So, Forfeiture amount is 40% of Rs. 70,000 i.e. Rs. 28,000/-.

If the buyer has lifted 9.68 MT material (above 95% of Lot quantity), then no penalty will be imposed.]

- 18.4 **If a buyer fails to lift the material within stipulated period as per sale letter, ground rent @ 3% on the basic value of the scrap lifted during 7 days after Last Lifting Date and @7% on the basic value of the scrap lifted between 7 days after Last Lifting date upto 15 days will be levied on the buyer by the Company. In case of default, full money deposited by the buyer will be forfeited and such buyer shall be debarred for three months form participating in this auction (For arranged lots).**

–[Illustration

For a 10 MT Lot per MT value is Rs.10,000. As per Sale Letter Last Lifting Date was 31.08.2022.

Scenario 1 – Ground Rent @3%

If the buyer fails to lift the material on or before 31.08.2022, he need to deposit Ground Rent 3% against the Lot value and allow to lift the material on or before 07.09.2022.

So, Lot Value is 10 x Rs 10000 = Rs 1,00,000. Penalty amount will be 3% of Rs. 1,00,000 i. e. Rs. 3,000.

Scenario 2 – Ground Rent @3% and @7%

If the buyer fails to lift the material on or before 07.09.2022, then he need to deposit Ground Rent @ 3% for previous period and @7% for next 1 week and allow to lift the material on or before 15.09.2022.

So, the buyer need to deposit total 10% Ground rent Penalty of the lot value i.e. Rs. 10,000.

Scenario 3 – Buyer not lifted any material within 15.09.2022

If the buyer not lifted any material within 15.09.2022 then, entire money deposited by the buyer against the lot i. e. Rs. 1,00,000/- will be forfeited and the concerned buyer will not be allowed to participate in any Auction for three months.]

- **For Arising Lots, 5% of the basic value of the material left in the scrap yard at the end of the week. In case of default, full money will be forfeited and the buyer will be debarred for three months from participating in this auction.**
  - In case of availability of material against a lot in excess of the estimated quantity specified in the auction catalogue against that lot, the Scrap Disposal Committee of the Company, at its own discretion, after weighing all possible factors may allow the buyer to lift the excess quantity upto 10% of the estimated quantity specified in the auction catalogue. If such a decision is communicated to the buyer, the buyer would be obliged to lift the excess quantity of the material on the same terms and conditions. The amount for such excess quantity will be adjusted from the EMD/Security amount deposited by the same buyer against the same lot to meet the short fall. It should be clearly understood that such a transfer from the EMD/Security deposit would be done for the same lot.
  - Any quantity above 10% (upto a maximum of 25%) of the quantity offered in the Auction catalogue will be available for sale at mutual agreement between the above buyer and the company. The buyer will be required to make the payment in advance for the excess quantity of materials authorized to be lifted within 2 days from the last lifting date mentioned in the sale letter. Subsequent to the deposit of the excess amount, the buyer will be allowed to lift the material as per the lifting condition of the catalogue. The buyer should ensure completion of the lifting of the lot (total cleaning of the area house keeping the material).
- 18.5 Wherever crane is required for loading it will be the sole responsibility of the buyer to arrange crane and ensure that the material is lifted within the stipulated period as mentioned in sale letter.
- 18.6 The Company reserves its right to permit the lifting of scrap during the period of work suspension if any.
- 18.7 The period indicated is exclusive of holidays as declared by Tata Motors Ltd Lifting of materials will be allowed from Monday to Friday except holidays specifically declared by the Company. Inspection / auction days will be given extra lifting period **(it will not be applicable for arising lot)**.
- 18.8 Lots sold must be cleared within the stipulated period to the extent of material available. Partial lifting will not be permitted. If material is scattered and needs to be collected, it will be the responsibility of the buyer to get all such material collected and loaded into their vehicles under their own arrangement.
- 18.9 In the event of default and/or failure on the part of the buyer to remove the goods after payment of the entire purchase money within the stipulated time mentioned, the Company as an Agent (only for the limited purpose which is meant and solely restricted to sell/auction the goods in question in such circumstances) of the buyer will be entitled to sell the goods by public Auction at such prices as the Company may in its absolute discretion think fit. The sale proceeds thereof will be credited to the account of the buyer after deducting charges incurred by the Company for conducting such auction. For any claim for sale of the goods at a lower price than the market price and in this respect the buyer shall be deemed to have appointed the Company as its agent for sale of the goods by public Auction. The Company shall not be deemed as an Agent of the buyer for any other purpose in any manner except as categorically mentioned herein.
- 18.10 In case buyer requires any service or facility from the Company for dismantling, loading and removing the goods, the Company may without being under any obligation provide the same on chargeable basis. The buyer must deposit in advance with the Company such amount as may be required by the Company in its account. All expenses for such service will be recovered from the amount so deposited and surplus, if any, would be refunded to the buyer. The amount so deposited will not carry any interest.
- 18.11 Transport Contractor for transportation from TATA Motors Works may be screened by the Company.
- 18.12 If any material, not covered explicitly in the description of the lot, is found in any of the lots while effecting delivery, the same shall be treated as Company's property. The buyer shall not lift from the lots any such pieces and shall have no claim to the same or ask for any compensation or account thereof. If it is detected at any time that the customer had loaded material for which he is not the buyer, the Company will be within its rights to detain the truck, unload the material at the cost and expense of the customer and take such other and further action as may deemed fit and necessary for the purpose.
19. **TAXES CERTIFICATES THERE OF ETC. :**

19.1 All Terminal tax, GST(IGST / CGST & SGST) and all other taxes, duties (impost) whether payable to the Central Government or the State Government or to the Municipal, Local or other authorities shall be deposited by the buyer with the Company along with the purchase money as part of the purchase price as mentioned in Clause 15. Non-payment of any amount payable under this clause will have same effect as non-payment of the purchase money and will result in ipso facto termination of the contract and forfeiture of the earnest money. If the liability, of such tax (imposts) and / or duty is in doubt, the Company will have the right to call upon the buyer to make such provision as the Company may deem fit and proper to ensure the recovery of such taxes (imposts) and / or duty. If the tax (imposts) and / or duty is not recovered at the time of delivery/ dispatch, the Company will have the right to call upon the buyer, to pay such amounts as may be due. If the Company finds that it has omitted to charge or the Company becomes liable to pay higher charge as a result of decisions or announcements by the Government or any other competent authority, even after, the full value of the materials may have been desisted and lifting completed from the Company's works, the Company shall be free to call upon the buyer to make good the amount short-recovered. Whenever such contingency arises, the Company shall be entitled to recover the amount of such tax (imposts) or duty from the buyer or set off against any amount or amounts that might at any time become payable by the Company to the buyer on account of what so ever.

19.2 The buyer should furnish copies of his GST(IGST / CGST & SGST) Registration certificates failing which, there will be delay in issue of the Delivery Order. **No delivery will be done, if GSTIN of the buyer is blocked.**

20. The present applicable rates of GST(IGST / CGST & SGST) have been indicated against each Lot based on company's understanding. Any change in these rates as per interpretation of the Government and/or court of law will be borne by the buyers.

#### 21. **TAX COLLECTION AT SOURCE (T C S)**

T C S will be collected on material value + GST(IGST / CGST & SGST) as per details given below:

Tax                      1 %

GST is also applicable on TCS amount.

Surcharge              As applicable

The above T C S will be applicable on all items except the following:

- i) Obsolete material
- ii) Machines / Equipment
- iii) Vehicles:- (TCS is applicable on Sale consideration exceeding Rs.10 Lakh)
- iv) Uniforms / aprons
- v) Raddi / catalogues / wastepaper / scrap plastic
- vi) Utensils, empty tins of oil & biscuits, jute bags & other scrap from canteen
- vii) Barrels / Drums sold by numbers
- viii) Jerry cans sold by numbers
- ix) Plastic barrels sold by numbers
- x) Fire wood

#### 22. **I. Clause on Safety requirements**

*Buyers would be required to follow all safety rules and regulations of the company. Requirements in this regard have been laid down in the following paragraphs and for any clarification buyers may contact Safety department at Tata Motors. Buyers will be allowed to start removal of material only when they have confirmed in writing that they would follow the specified guidelines. While on this it may be noted that as per provision of Factories Act / Rules, the company is required to submit reports to the Inspector of Factories for all accidents inside the works immediately.*

*Any violation of Safety norms by the buyers will attract penalty and the amount of penalty decided by the company will be final. Buyers must forthwith deposit this amount before continuing with any activity relating to particular lot including removal / lifting.*

- a) The buyer would be required to arrange 1.0 metre high barricading of the area occupied by lot proposed for sale and have to provide red flags / lights, as required around the barricaded area before working. The buyer would arrange to remove all inflammable materials from around the place of work. They would require to place two display boards at a visible location one reading as "Men at Work" and other indicating "Buyer Details " viz: the name of buyer, lot no., the sale letter no., important telephone nos. where the buyer or his agent / nominee can be contacted, name of the supervisor available at site and his phone no. The supervisor so named should be also available at the site at the time of any work. However, for lots being lifted from locations normally designated for such scrap accumulation / lifting, requirement of barricading and "Men at work" display board may not apply and display board for "Buyer Details" would be adequate.
- b) All persons working at any site within Tata Motors must have medical certificate of fitness from a Registered Medical Practitioner which can be produced on call or at reasonable notice. The buyer should ensure that workmen engaged by him use PPEs (Personal Protective Equipment) appropriate for the nature of work. Identified list of PPE generally in use are safety helmet, safety shoes, goggles, hand gloves, apron, nose mask, sleeves as applicable.
- c) On a daily basis on completion of work including lifting of materials / machines / equipments, the area must be thoroughly cleaned for proper house keeping and any pit, sump etc. either filled or open (for any such pits /sump etc to be allowed to remain open, prior permission would have to be obtained by the buyer from the safety group well in advance) should be barricaded if required as prescribed. For details in this regard, they may contact the Safety department at Tata Motors.

- d) If the buyer requires any facility or resources to be provided by Tata Motors like power, water, compressed air, lifting machine, tools, tackles etc. it should seek prior permission from concerned agencies before such usage in writing.
- e) Normally the buyers are permitted to arrange lifting or working between 8-30am am and 4.30 pm and for any lifting particularly in 'B' shift, the buyer has to arrange proper illumination without glare (equivalent to day light), hand lamp with proper earthing (plugged on socket), colour apron with illuminated tape and red light on barricades. For lifting in 'B' shift, it should be ensured that same person who have worked in 'A' shift do not continue beyond eight hours.
- f) There are special requirements for working at height (any work above 6 ft.), working in confined spaces, as well as working with application of heat. While details of requirement with regard to each type of work can be obtained from Safety Department at TML, the following should be taken up as broad guidelines :
- i) Any working above 6 ft high will not be allowed after sunset. During such work, the workmen must use safety belt with double rope as lifeline, proper ladder with scaffolding. All persons working at height must have medical certificates of fitness for working at height by the Certifying Surgeon. All lifting machines, equipments, tools, tackles, chain sling, wire rope etc. must be certified by competent person.
- ii) For working in confined space like pit, sewer, tunnel, gas line, vessel, buyer would be required to make preliminary assessment for all possible dangers. This would include ascertaining the percentage presence of different gases at such confined place and arrange for air purging for presence of any poisonous or inflammable gases. If the percentage of oxygen is less than 19.5 % breathing apparatus would be required to be used. For any person going inside, a lifeline connected either with the safety belt or waist of the person must be held by another person standing outside the pit. The person standing outside the pit should keep constant vigil / watch on activities of the person inside. The confined space must be kept with constant flow of air preferably with compressed air / high pressure air line. The approach to the confined space should be isolated, barricaded with red flag / red light as applicable and mentioned earlier and buyer must ensure that there is no unauthorized entry. A written permission for entering the confined space may be obtained in advance from the Safety Department at Tata Motors
- iii) For working with application of heat like oxy-cutting, the buyer would ensure use of cylinders certified fit for both DA / LPG and Oxygen with hoses in specified colours (Red for DA / LPG and Black / Green for oxygen) as well as back fire arrestors as required. This should be used mounted on a proper trolley. For any use of electrical welding equipment the buyer should ensure proper earthing thereof. The workmen in this area should use required PPEs like leather apron, gloves, hand sleeve, anklets, and leather legging etc., as required. For any guidelines in this regard they may contact the Safety Department at Tata Motors. Work of this nature may be taken up with prior permission with Fire Service and Safety Departments at Tata Motors before start of the job. The buyer has to also ensure availability of basic fire fighting equipment like water, sand bucket, fire extinguisher etc.
